DOC NO: 1110NN08

Dear Dr. Hammatt:

**SUBJECT: National Historic Preservation Act (NHPA) Section 106 Review –
(REVISED) Archaeological Inventory Survey Plan for
City Center PHASE 4 of the Honolulu High-Capacity Transit Corridor Project
Kalihi, Kapālama, and Honolulu Ahupua‘a, Honolulu District, Island of O‘ahu
TMK: (3) 7-4-021: 002**

Thank you for requesting our review of the (Revised) Archeological Inventory Survey Plan (AISP) titled *Archaeological Inventory Survey Plan for the City Center (Construction Phase 4) of the Honolulu High-Capacity Transit Corridor Project, Kalihi, Kapālama, and Honolulu Ahupua‘a, Honolulu District, Island of O‘ahu TMK: [1] 1-2, 1-5, 1-7, 2-1, 2-3 (Various Plats and Parcels) Volume I: Plan and Appendices F and G and Volume II: Appendices A-E, Land Documents* by Hammatt, et.al (CSH report code KALIHI 17), received by our office on August 12, 2011. This AISP was prepared in compliance with National Historic Preservation Act Section 106 Review.

The AISP explains the intent to identify and record any remaining historic sites and cultural deposits located within the 13.87 acre project corridor that extends east along the southern coast of O‘ahu from Kalihi Stream on Dillingham Boulevard to Ala Moana Center on Kona Street. Project construction will require relocation of existing utility lines within the project corridor that conflict with the proposed Honolulu High-Capacity Transit Corridor Project. Amongst other land disturbing activities including grading of facility locations, and excavations for the guide way column foundations, relocating utilities will cause the most disturbances.

This plan meets the standards for Archaeological Inventory Survey Plans that are set forth in HAR 13-284-5 (c). Please send one hardcopy of the document, clearly marked **FINAL**, along with a copy of this review letter and a text-searchable PDF version on CD to the Kapolei SHPD office, attention SHPD Library. Please contact Deona Naboa at Deona.Naboa@Hawaii.gov if you have any questions or concerns regarding this letter.

Sincerely,
